Quote details

Item	Size	Qty	Details	Picture
Drape Net	5m Wide x 100m Long 60g/m ²		Please circle – Black, White, Other	
Drape Net	6m Wide x 100m Long 60g/m ²		Please circle – Black, White, Other	
Drape Net	7m Wide x 100m Long 60g/m ²		Please circle – Black, White, Other	
Drape Net	8m Wide x 100m Long 60g/m ²		Please circle – Black, White, Other	
Drape Net	9m Wide x 100m Long 60g/m ²		Please circle – Black, White, Other	
Bird Net	New smaller holed Bird/Bat net, with better hail and sunburn protection than standard larger holed Bird Net		Please circle – Black, White, Other 15m & 20m widths in stock	

Anti-Bee Drape Net	Exactly the same weave and make up as normal Drape Net, but is a lighter weight at 50g/m ² compared to Drape Net 60g/m ² . This is a direct relationship to the amount of time the nets are exposed to UV.		Range of colours, widths & weights available on order	
Zip Ties	24 000 per box		White or Black. It is suggested to use White ties for Black net and opposite	
IHHS	Industrial hand held sewing machine			

NetWhizz	Hi-lift, auto tension, swivel mast. Partially designed by Drape Net		Drape Net customers receive at cost price + transport	
Reflective matting	Made to order sizes		White	
Ground pegs	1000 per box			
Bungee Cord & Clip set	Lots of 100 pieces and meters			

Spool of thread	1500m		Black or white. UV Bonded Polyester thread. Single rolls or 10 per box			
End Caps	100 pieces per roll. 1 roll does 50 Drape Net rolls		White End Caps will allow leaving Drape Net rolls outside without worrying about the damage to the net			
UV Stretch Wrap	350m long rolls		UV treated stretch wrap. Will do approx. 60 Drape Net rolls			

Please return completed form to Drape Net
